DATA SCIENCE

ONLINE CERTIFICATE COURSES

Fall 2022

Sept 19 - Dec 10

Spring 2023

Jan 9 - April 30

Become more marketable for career advancement. Improve your knowledge and skills in areas of data science. Your future awaits!

The University of West Florida's Institute for Analytics and Industry Advancement offers a set of 4 three-credit-hour online courses that will assist you in earning a Data Science Certificate.

Data Science Certificate Courses:

- Tools for Data Science
- Databases for Data Science
- Statistics for Data Science I
- Statistics for Data Science II

Course benefits:

- Statistical theory plus the latest technology
- Courses can be completed with no prior statistical or programming background
- Mixture of programming, database technologies, and statistics
- Hands-on labs
- Courses emphasize projects and interpretation of results
- All software is included in the cost of tuition
- Each co-hort may begin every semester.
